

- **Meeting was short; postponed until Sunday**
  - Abstract looks mostly good for submission → see Florian's feedback
- **Meeting 07.31.22 was Poster-centric**
- **Poster Feedback**
  - Next time, include more visuals and *less words*
    - E.g., Have visuals that show which ear the talker is speaking in
    - Use colors
    - Don't be redundant!!!
    - Example →
- **To Do**
  - Spelling corrections of some words in the excel file
    - Negotiate
    - Rehearsal
    - Peninsula
  - Add the third prediction graph for if there is **no adaptation**
    - Show all 3 (basic) possible outcomes
      - Have uniform titles and captions!
  - Change colors so "s" and "sh" are more distinct
    - Might not print true color
